## **Third Culture Kids: A Gift to Care For\***

By: Ulrika Ernvik

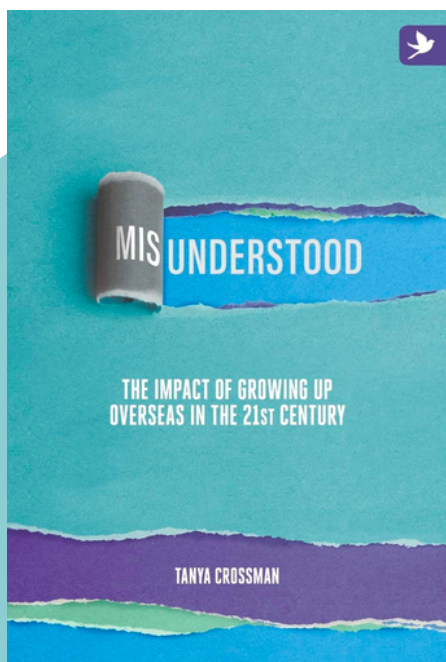

With a conversational tone, Ulrika shares a wealth of practical tips for helping TCKs at all stages of life. Each chapter includes fun activities that you can do as a family or with the TCKs on your team, which Ulrika developed out of her experiences as both an adult TCK and TCK caregiver.

## **Raising a Generation of Healthy Third Culture Kids\***

By: Lauren Wells

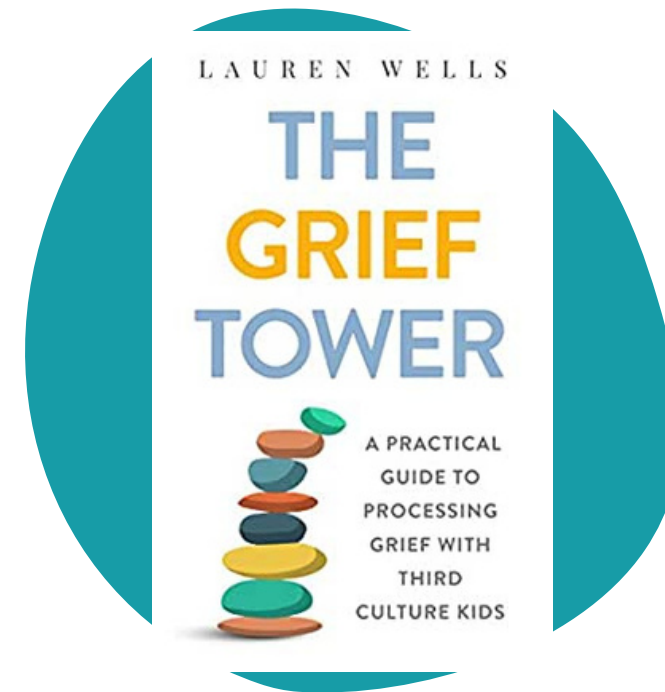

Based on personal experience as a TCK, and as a mom and researcher, Lauren Wells explores what make all kids thrive, and how those attributes are uniquely translated in the TCK experience.

## **Misunderstood: The Impact of Growing up Overseas in the 21st Century \***

By: Tanya Crossman

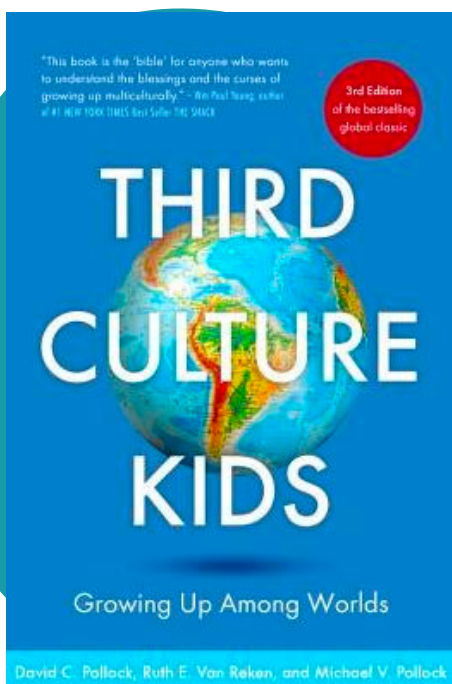

Filled with anecdotes from teenaged and adult TCKs, Misunderstood helps parents and caregivers grow in their empathy for TCKs, specifically in transitions and repatriation. Misunderstood also builds a for the reader a comprehensive understanding of what the Third Culture of TCK really looks and feels like to those who experience it.

## **The Grief Tower: A Practical Guide to Processing Grief with Third Culture Kids\***

By: Lauren Wells

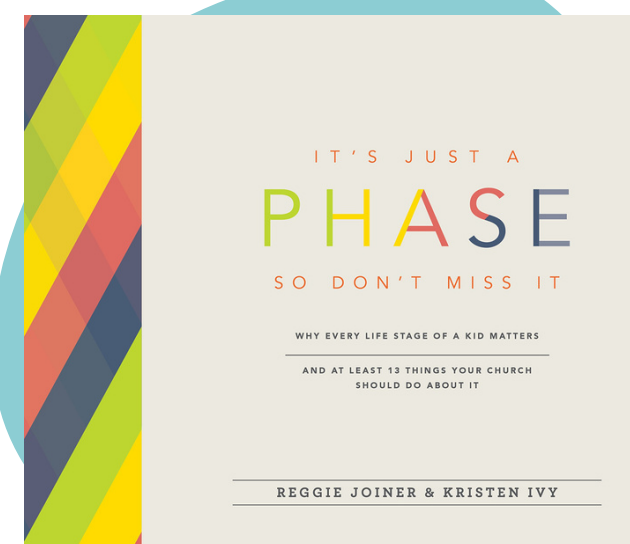

A helpful book for those who want practical ideas for how to engage their children in conversations about grief and equip TCKs to process grief experienced from daily events, transitions, and larger significant events. Lauren Wells makes debriefing strategies accessible to parents and TCK caregivers.

## **Third Culture Kids: Growing Up Among Worlds (3rd Ed.) \***

By: David C. Pollock, Ruth E. Van Reken, & Michael V. Pollock

First published in 1999 and now in its 3rd edition with significant updates, this comprehensive book explores all aspects of life as a TCK. The seminal work is an invaluable resource for parents, teachers, and all TCK caregivers.

## **It's Just a Phase so Don't Miss It: Why Every Life Stage of a Kid Matters**

By: Reggie Joiner and Kristen Ivy

A practical guide for everyone helping to raise kids to follow Christ, this book lays out the spiritual developmental process of children birth-18, and includes practical ideas for how you can address their significant questions about God at each age and stage.
